LETTER CORRECTING TYPOGRAPHICAL ERROR IN INVENTOR'S NAME

Dear Examiner:

Applicant is writing to notify Examiner that there is a typographical error in the spelling of at least one of the named inventors for the above-referenced pending application. MPEP 605.04(b) states that:

When a typographical or transliteration error in the spelling of an inventor's name is discovered during pendency of an application, a petition is not required, nor is a new oath or declaration under 37 CFR 1.63 needed. The U.S. Patent and Trademark Office should simply be notified of the error and reference to the notification paper will be made on the previously filed oath or declaration by the office.

The following is a list of the typographical errors and the needed correction:

No. Inventor's Name (as currently listed) Inventor's Name (w/error corrected)

1. Gary Gordon Leslie Fimeri Garry Gordon Leslie Fimeri

Applicant respectfully requests that the error be corrected and that proper documentation of the error is made part of the file history.

Applicant believes no fee to be due for this filing, however, should additional fees be due in order to prevent the abandonment of this application, please consider this as authorization to charge Deposit Account No. 501612 (Warn, Burgess & Hoffmann, P.C.) for any such fees due.

If you have any further questions, please do not hesitate to contact us at (248) 364-4300.

Respectfully submitted,

WARN, BURGESS & HOFFMANN, P.C.
